

Strategic Plan

Our Mission

The mission of E.C. Weber Fraser Public Library is to invite educational curiosity and provide our patrons with information and access to resources that encourage learning, facilitate community connections and a desire to build together while promoting creative exploration.

Our Vision

To connect and grow the Fraser Community by providing access to information, cutting edge technology, and educational resources in an inclusive, and welcoming space.

Our Goals

Community Engagement

Provide quality programming for all. Expand programming options to assure service to all members of our community.

Grow as an Adaptive Learning Organization

Expand our space to provide adequate room for public use, including meeting rooms, study areas, and storage as well as sufficient workspaces for employees.

Increase Access to Information

Ensure greater community awareness of the vital resources and services provided by FPL.

Build Community and Cultivate Relationships

Identify and utilize new and innovative sources of funding

Core Values

Collaboration

Evolving together by recognizing our community's needs, sharing our strengths and partnering with local establishments to achieve the common goal of supporting our patrons.

Community Connection

We are committed to being a community hub where people can connect through shared interests and goals. Maximize patron participation by offering resources and programming for all ages.

Innovation

We strive to be at the forefront of providing equitable access to all patrons. We do this by expanding our services for our community through anticipating their needs and hiring knowledgeable staff to assist our patrons.

Our Story

Our Promise

Empowering individuals to explore, learn, and innovate.

Patron Experience

Providing our community with a gathering space which includes a safe, inspiring, and inclusive environment.

Continuing Forward

FPL's establishment in 1964 was the direct result of citizen interest and initiative and our goal is to maintain that impetus as we move forward.
